# From the Board Chair

Ms. Chris LeBeau

Greetings to our members! This year saw many member libraries demonstrate their capacity to overcome obstacles in the pursuit of service to their communities - and we remain thankful and inspired by the work happening across our membership.

Our CEO, [Miguel Figueroa](#) has now been with Amigos since September 2020, and the Board remains delighted by his energy and grateful for his thoughtful leadership. Miguel has worked with the Board and staff to focus on member engagement, reaching out to member libraries, the state libraries within our region, and our partner consortia across the nation.

This focus on member engagement aligns with the Board's work on a new strategic plan that will be made available in the 2021-22 membership year. I want to thank my fellow Board members for the hours they have contributed to committee work this year, and I predict our planning efforts will have a good payoff.

Amigos CEO, Miguel Figueroa, shares some highlights from this membership year below:

The Amigos Board of Directors extended a [special 20% discount](#) on membership fees for the 2020-21 membership year, recognizing the financial challenges of the past year and the need for accessible and sustained services through the pandemic.

Amigos' tradition of popular and high-quality online training continued this year. Our three online [topical conferences](#) and our [annual member conference](#) (all free to members) attracted over 3,500 registrants and brought leading experts to our membership, including keynote speakers like Dr. Nicole Cooke, Lindsay Cronk, and Amanda Leftwich. And special sessions like our [Renewal Series](#) with Kaetrena Davis Kendrick and our newly announced [Amigos Community Conversations series](#) highlighted important topics and built community across members.

Amigos leveraged our experience in online training and event hosting to support several organizations' pivots to online, including support for the Arkansas Library Association, Louisiana Library Association, the Library Marketing and Communications Conference, Missouri Library Association, North Dakota Library Association, Texas A&M System Libraries, and the Texas State Library and Archives Commission (TSLAC).

With a renewed focus on e-book and audiobook content as libraries navigated safe use of physical spaces, Amigos has continued its [SimplyE](#) work. Our partnership with TSLAC for their E-Read Texas program has resulted in SimplyE services for over 150 libraries – and a new agreement with the Texas State Library will expand access to E-Read Texas and SimplyE for public libraries that serve populations up to 100,000. We are excited to engage with the Arizona State Library, Archives, and Public Records in a pilot program to bring SimplyE to a small starting group of public libraries and tribal libraries in Arizona. And a grant from the Missouri State Library will help expand the Amigos-managed MOLIB2GO program to new libraries and with more titles.

Our core services – including our group purchasing programs, courier service, and resource sharing programs – continue to fulfill essential needs for libraries. After suspensions due to the pandemic in the 2019-20 membership year, our courier service has seen a steady return to service. We thank all our courier participants for their cooperation through this period and for their commitment to cost effective resource sharing.

We thank you for your continued membership in Amigos and we look forward to more work ahead!

# 2020-21 Membership Year Highlights

## Sharing & Maximizing Resources

Over 300 Amigos member libraries participated in the Amigos Resource Sharing Agreement, accessing free loans and copies from member libraries and another 200 libraries in the South Central and Southwest regions of the United States.

In the 2020-21 Membership Year, over 210,000 library items shipped through the Trans-Amigos Express (TAE) regional courier program. TAE provides rapid pick-up and delivery of interlibrary loan materials across participating libraries while saving thousands of dollars on packaging and shipping each year with a flat-rate annual fee. In Texas, the TExpress courier service is a partnership between the Texas State Library and Archives Commission (TSLAC) and Amigos.

---

"TExpress has been very helpful with shipping and receiving items. I am thankful for the communication and staff availability throughout the Coronavirus pandemic. Very grateful for this service."

---

---

## Gaining Knowledge

"This was the best online class/training that I have ever attended - and I have attended my fair share. The instructor was prepared, articulate, knowledgeable, passionate and a fabulous presenter."

---

Amigos hosted 78 courses and trainings, 38 free Know & Go sessions, 3 online conferences, and the 2021 Annual Amigos Member Conference - reaching more than 5,000 registered attendees and learners.

Amigos staff partnered with 17 organizations to provide customized training on selected topics, increasing staff skills right at the point of need.

Over 185 libraries accessed the ALA RDA Toolkit, an essential tool in modern technical services, as a benefit of membership.

## Promoting Electronic Collections

"The Texas State Library and Archives Commission is pleased to work with Amigos to implement SimplyE in Texas public libraries through our E-Read Texas program.

Through this partnership, people across the state are able to access thousands of free e-books through this easy-to-use app."

334 libraries received discounts on subscriptions to databases and journals through Amigos' Member Discount Services (MDS) group purchasing program. Member Discount Services simplifies the purchasing, renewal, invoicing, and payment process for libraries while providing valuable technical support.

153 libraries used Amigos for their SimplyE service hosting. Developed by libraries for libraries using ReadersFirst principles, the open source SimplyE service and app improves patrons' experiences with digital materials and makes enjoying a library e-book or audiobook as easy as browse, download, and read/listen.

Amigos has partnered with the Directory of Open Access Journals (DOAJ), a community-curated online directory that indexes and provides access to

high quality, open access, peer-reviewed journals. Through this partnership, member libraries can become DOAJ supporters at a 30% discount and expand their support of open scholarship.

---

## Advancing the Profession

Amigos supported 8 professional organizations' move to online events and conferences, including the Missouri Library Association, Association of Bookmobile and Outreach Services, Library Marketing and Communications Conference.

199 libraries posted job openings and professional opportunities on the Amigos Job Bank, a free member benefit that reaches job seekers across the country.

---

"I want to thank Amigos for all your help this year with anything and everything ABOS [Association for Bookmobile and Outreach Services] asked. The Amigos team is amazing and I don't know what ABOS would do without you."
