STATEMENT OF CONCERN

In 2019, the pandemic was unforeseeable and we could not comprehend how it would upend library services, spaces, staffing, resources access and operations. Amid uncertainty, Amigos Library Services created welcoming forums for us to support and learn from one another as we moved library staff, services and operations remote; planned for, and reopened, socially distanced library spaces; worked with library users in new ways; and faced staff shortages. Individually and together, we navigated innumerable challenges and opportunities and are just now able to stop, reflect and think about the future of our libraries. Since spring 2020, Amigos Library Services leaders and staff have supported and guided us. Amigos Library Services provides us connections and opportunities to envision and plan what comes next.

It has been my privilege and honor to serve on the Amigos Library Services Board of Directors, representing libraries' and librarians' perspectives. I would appreciate an opportunity to serve a 2nd term and to continue helping Amigos Library Services evolve and grow.

Barbara C. Glackin
